Hi James,

This case is scheduled for trial on 12/10/12. Just wanted to give you a head's up. I am currently working on a plea resolution with defense counsel however there are never any guarantees until it's done. That being said, as I believe you are aware, here in Hampden our trial dates are more like target trial dates. I simply need to be able to answer ready for trial on 12/10 and from there we can be called to actually begin the case anywhere from the next day to several weeks later. Do you have any vacation plans scheduled for the December or January that I should know about? I will let you know more about trial date or plea when I do.

Best,

Matt Green
